The screenshot shows a mobile application interface for completing user information. At the top, the status bar displays the time as 2:21 and battery level at 57%. Below the status bar, there is a navigation bar with a back arrow and the text 'Terms and Conditions Complete the Information'. The main content area consists of a series of input fields: 'Identification Type', 'Identification Number', 'First Name', 'Last Name', 'Date of Birth', 'Email', 'Phone Number', 'Mobile Number' (with a question mark icon), 'Create Username', 'Product Type', and 'Product Number'. At the bottom of the form, there are three buttons: 'Cancel', 'Reset', and 'Continue'. The bottom of the screen shows the standard Android navigation bar with icons for home, back, and recent apps.

Step 3: **Complete the Information**

To complete this process, you'll need to input some personal information, i.e. your name, date of birth, ID type (passport, national ID, driver's permit), email and phone number. You'll also be able to set your own username.

You'll be required to input some banking information, i.e. the product type (deposit account or credit card), your deposit account number or credit card number, PIN (the PIN that is associated with the deposit account for your debit card or credit card) and customer ID.

Upon completion, select **“Continue”**.

Step 4: **Registration Complete**

A temporary password has been generated and sent to the email address you provided during registration.

Select **“Finish”**.

The first time you log in

The screenshot shows the Republic Bank mobile app interface. At the top, there's a status bar with the time 12:14 and battery level at 59%. Below that is a blue header with the Republic Bank logo and a 'Welcome' message. A navigation bar contains icons for Home, News (with a notification badge), Find Us, Benefits, and Contact. The main content area features a login form with a username field containing 'Republic1', a password field with masked characters, a 'Remember Username' toggle switch, and a blue 'Sign in' button. A 'Reset Password' link is positioned below the sign-in button. At the bottom of the form, there's a link to 'Register new User for RepublicOnline: Personal'. Below the login form is a blue section titled 'Follow us on:' with social media icons for Facebook (republicbankdominica, republicbankstlucia), LinkedIn (Republic Bank), and Instagram (republicbankofficial). The bottom of the screen shows the Republic Bank logo and a 'See More' link, followed by a 'Security Devices' section and an Android-style navigation bar.

Step 1:

After registering, login with your username and the temporary password sent to your email. Follow the instructions you'll be given to change that temporary password.
